Dial 999 in an emergency or dial 101 in a non-emergency**

### Garage, Shed and Outbuilding Security

Throughout the year we need to ensure that we remain vigilant, particularly when it comes to garden sheds, garages and outbuildings.

Garden equipment, tools, bikes, electrical equipment, motors scooters and motor cycles are often kept within a garage, shed or other type of outbuilding. These items are expensive to replace.

#### Cheshire Police offer the following advice:

- Ensure that all windows and doors to garages, sheds and outbuildings are secured.

- If a factory fitted appropriate lock is not available, fit a good quality hasp and staple with a padlock to all sheds and side doors to garages.
- Remember to use a hasp and staple that can be bolted to the door and frame.
- Fit using coach bolts or tamper proof screws to secure them.
- Use disc lock padlocks which have a less exposed shackle and are less prone to attack.
- Mark your property; if it is impractical to use an ultra violet pen consider other methods such as engraving or a permanent marker pen on property instead.
- Lawn movers and bicycles are a less attractive target if your post code and house number is indelibly marked on them.
- Always lock or chain cycles together or to something fixed of bulky while in the shed or garage because this reduces the ability for the thief to steel them.
- After gardening, please don't leave spades, ladders and other equipment lying around the garden. They only provide a prospective burglar with handy tools to use when braking in to your home.

If you are enjoying a barbecue/garden party at your home, ensure that you have full sight of all open doors and make sure your front door is secure.

## Local Initiatives

**Operation Shield** – Door to door delivery of Selecta DNA kit property marking kits will be carried out on the under mentioned dates:

Tattenhall – Wednesday 6<sup>th</sup>, Tuesday 12<sup>th</sup> and Saturday 16<sup>th</sup> March

**Tattenhall and Malpas Wards Speeding** – On both Wards Speed Gun and Speed Indicator Devices are being deployed on the roads and to the locations residents have concerns about speeding vehicles.

**PCSO Surgeries** – A review of the times surgeries are held with a view to holding evening surgeries for members of the public who work and are unable to attend during the day. Details of any revised times and dates will be advertised.
